A big thank you to Friends of the Whitefish Bay Library and the Library Board for your continued support and commitment!

What do we do that you love?

Library staff at our Star Wars May the 4th Party.

The library is the crown jewel of Whitefish Bay. I appreciate the knowledgeable staff, fantastic selection and digital resources available.

All of our children have felt at home there- from storytime and play areas to homework sessions in higher grades. The staff are friendly and we consider them part of our inner circle

I spend a lot of time, reading and working in the library - the staff knows me and my work and wishes me well, it gives me (an immigrant) a sense of belonging.

The library card is probably the first official Whitefish Bay item I signed up for. It is a beautiful facility, staffed by very kind and helpful people.
